

**PIRONGIA  
SCHOOL**

**Kia ORA** - A SPECIAL WELCOME TO OUR STUDENTS, FAMILIES AND SCHOOL COMMUNITY.

**CROSS COUNTRY** - What a fantastic Monday afternoon it

was watching our children of all ages run our school cross country track. What I love about our community and school is the way we all support and encourage each other! Thanks to Miss Muckle for making this day run so smoothly. I am very proud of our children and thoroughly enjoyed watching them all cross the finish line. Extra

congratulations go to our students who managed a top 4 placing (names over the page) and in doing so, qualified for the Lower Waipa Cross Country!

**Wai-Maths** - Congratulations to our year 7 and 8 students who represented our school at the annual Wai-Maths Competition held at Fairfield College last week. Our students competed very well against top mathematicians! Special thanks to Chris Reymer and Byron Dickson who were our parent judges and supported our teams. Also thank you to the parents who transported their children to the event. Our Year 7 students were Kanu M, Finn R, Dan H, and reserve Liam H. Our Year 8 students were Dayna B, Matthew D, Arwen M. Well done teams!

### ALERT Level 4

As I complete this newsletter, we all find ourselves in level 4 lockdown as we try to combat the Covid-19 virus. This lockdown was slightly different for us this time. It happened quickly and there was no time given to re-enter schools to access devices, books and other resources. Your child's teacher would have reached out to you all by now and offered their support/ ideas for home learning if that's what you need over the next three days. The Ministry has a great website filled with learning resources also <https://learningfromhome.govt.nz> As we await the announcement tomorrow, we are making appropriate plans for each outcome. I communicate regularly, so please keep an eye out for emails, Facebook and Skool loop.
