OPT I O N S	Windows laptop Laptop requirements include; 8Gb RAM minimum, 256GB SSD/HD storage minimum running windows 10 or 11
	Chromebook A Chromebook is a laptop or tablet running the linux-based Chrome OS as its operation system. The devices are primarily used to perform a variety of tasks using the Google Chrome browser, with most applications and data residing in the cloud rather than on the machine itself. Senior <u>school</u> use Google <u>drive</u> as their number one platform, so these devices are suitable for classroom work. Please be aware that if your child uses a Chromebook it will be necessary for them to have internet access at home for it to be operational for homework purposes.
