Hello
Twinkle

EDITION #39
6 DECEMBER 2023

From our Principal

It's beginning to look a lot like Christmas at our School!

Kia ora family and friends of Pirongia School.

We have enjoyed having Twinkle visit us again! The excitement that some children have every morning as they try to find him is priceless! Thanks to Debbie and Mrs Mahon for making the office feel nice and festive!

A big congratulations to Gemma-Lee, who secured a place at the Waikato Full Primary Schools inter-school Athletics competition. Gemma-Lee achieved fourth place in the year 8 girls' high jump event, with an impressive jump measuring 1.26 metres high.

During our assembly last Friday, I recognised a group of students who demonstrated exceptional attendance this year, avoiding significant illnesses. Research indicates that regular attendance of 95% or higher positively impacts learning and personal growth, including confidence. These students achieved attendance rates, rounded to the nearest whole number, of either 99% or 98%, meaning they had only about 4 days off throughout the entire school year. Well done to...

99% attendance = Maia U-D and Indi M

98% attendance = Marni vdP, Amelia C, Abel C, Slater S, Paislee P, Mary T and Mason F

As the end of the year approaches, there are crucial events on the school calendar that enables us to celebrate our learners and the conclusion of the school year. If you are missing any information on a particular event, refer to this newsletter or contact your child's class teacher.

- Today: Kahikatea Big Day Out
- Tomorrow: Kawaka team camp returns to school.
- This Friday @ 2 pm: End of year Sports and Service assembly here at school.
- Tuesday, 12th December: Rata End of Year Big Day in Celebration, Kahikatea - mountain biking and hike day, Year 7 and 8 formal dinner and dance.
- Wednesday, 13th December: Set up/rehearsal for formal prize-giving at the Event Center (Kapa haka students, student councillors, orchestra, and band will attend rehearsal).
- Thursday, 14th December, starting at 10.30 am: End of Year Formal Prize Giving at the event center.
- Thursday, 14th December: After the formal prize giving - Year 8 afternoon tea in the staff room at school.
- Friday, 15th December: Tidy up and lock up of school. School closes at 12 o'clock.

Once again, we are incredibly grateful to Ingham Mitsubishi Motors Te Awamutu Sports & Recreation Club for enabling Ollie and Ryley to visit our school every Monday, contributing to our Physical Education programme. Our students and teachers enjoy their visits and look forward to many more next year. Thank you Ollie and Ryley!

Speaking of sport, it has been another great year for Pirongia School on the sports fields and courts. Thank you to all of our fantastic coaches, managers and helpers! We couldn't do it without you all!

School Learning Donations

Why and how they help

I am sometimes asked about the importance of learning donations for our school, and I want to emphasise how crucial the voluntary learning donation is. A learning donation represents a valuable contribution from families, whether paid in full or spread throughout the year. While our annual operating grant from the Ministry of Education is essential, it falls short of covering all our wants and needs. (See below). Our learning donation payment slip will come home next week alongside other information such as 2024 class placement and stationery.

Consider the myriad of costs a school faces; from extra teachers over and above what we are funded for, power and lighting, playground maintenance, first aid supplies, learning resources, teacher aides, books, furniture, petrol, and plumbing expenses. Costs extend to tree trimming, photocopiers, turf grooming, art supplies, sports gear, painting of the school, learning programmes, signage, playground bark chip, administration staff wages, and even rubbish collection. Security cameras and surveillance, caretaker, pool costs, building repairs and maintenance, visiting performers, subscriptions, staff professional development, learning materials, music equipment, learning devices, text books and the list continues. We aim to uphold an extraordinary school environment that not only looks fantastic but also allows our students, staff, and families to thrive!

Despite our careful financial management, there always remains a notable shortfall. To address this gap, our dedicated staff actively pursue grants for projects, the PTA tirelessly fundraises, the school Board appeals for learning donations from families, we receive sponsorship from time to time and I personally explore every available funding opportunity. With these supplementary income sources, we can confidently ensure our school continues to thrive!

Thank you for paying your learning donation. Your support goes a long way in maintaining and enhancing the quality of education and experiences that we provide at Pirongia School.

Life Education is one of the many things achieved through your learning donation.

Thank you!
